Kendall College Begins Fall Drive for Grid Honors Today

COLLEGIANS MEET CUMBERLAND MEN

Second Team Will Take on Haskell Aggies as the Opener of Season.

EXPECT GOOD GAMES

First Team Is in Shape for Fray With Best Bets in Positions.

(By N. Q. JINX.)
Kendall college has planned an innovation in opening its football season here today with the Cumberland college eleven, an opponent never before seen on a local field and one of which precious little is known. The game was arranged to give the local

fighters an opponent from the Ozark state, a territory which Kendall has not invaded often, having confined its activities heretofore mainly with Oklahoma and Kansas aggregations.
Kendall's football schedule for the season was arranged under a policy which calls for formidable foes in every number, and the eleven which will be met today is not expected to prove an exception to the rule. Coaches McBirney and Schmitt expect a stouter task than their team has had to confront in any previous opening match.
The machine which will face the Arkansians today will be composed of the same material which will face Oklahoma university and other favored rivals later on, but naturally it yet is lacking in that precision and vigor which coaches say will characterize it later on. But the orange and black steam roller of today is far superior to that one which entered the initial fray of a season ago and those who are initiated into the fine art of the grid are enthusiastic in their assertions that the Kendallites will pile up a hefty score to give impetus to the fall drive.

Simple Attack.

Kendall will show a simple straight attack against the Presbyterians and few of the frills and innovations which are added as strength is gained and as greater odds are encountered will be disclosed. The coaches know that a hundred pair of keen eyes will be trained on the day's contest and that every play will be covertly watched.

ON THE HOME STRETCH

CHICAGO, Sept. 29.—Detroit cannot even the Boston in the American league pennant race now, though Boston should lose all its four remaining games and Detroit win the two left on its card. The standing would be: Boston 89 won, 65 lost; Detroit 88 won, 65 lost.
Chicago still has a chance to win providing games and Comiskey's men their four with Cleveland to be played Saturday and Sunday. The standing: Boston 89 won, 65 lost; Detroit 88 won, 65 lost; Chicago 86 won, 64 lost; Cleveland 84 won, 62 lost; Detroit 83 won, 63 lost.

They will stick to straight formation and line plunking unless they are forced to some style more intricate.

To begin with, the best bet for every position will probably take the field. Those men who have made the best showing in the workouts thus far. They will be given the first taste of glory and some of these may remain in for practically the whole contest. But other fellows will be given a chance. The coaches are willing to be shown at every turn and their policy is to open every position to competition and this may result in some surprises, of course.

The Kendall scribbles will meet the Haskell Aggies in a contest to precede the main event.

The first game will begin at 2:30, according to officials. The second will start immediately afterward.

The lineups of both Kendall squads for the contests as issued by Coach Schmitt follows:

First Team. Position. Second Team.
Hardy Winslow L.E. Foy
Blevens L.T. Newcomb
Creekmore.

Pappan L.G. Raber-Hilford
Allen C. Woodley
Austin-Edwards R.G. Goetz
Wallace-Coffey R.T. Shorney
Jones-Johnson R.E. Chadwick
Groves L.B. Ammons
Feist L.H. McClenahan.

Young F.B. Drew-Wood
Hause-Miller R.H. Bridges
Officials—Goley, Baylor, referees.
Al Rambo, umpire.

BOWLING LEAGUE OPENS OCT. 14

First Half of Y. M. C. A. Season Will Start Off Auspiciously.

The first half of the Y. M. C. A. Bowling league will commence October 14 and the second half on December 22 and the number of teams will be limited to six. These decisions were the result of a meeting of the league executives held at the Y. M. C. A. building Thursday night.

Minor details regarding the method of limiting in order to have the best possible team and a few pieces of routine business were taken up.

Fairmount Team Green.

SALINA, Kan., Sept. 29.—Coach Edwards will present an almost "green" team against the Fairmount college eleven in the opening game here Saturday. It was announced only three days ago that the school this year. They are Paul Cannon, fullback, Diehl, tackle, and Wood, center. Morgenstern, at end, is the only other experienced football man Coach Edwards has, but there has been a large squad of promising players at practice this week.

Charmore Beat Afton High.

Special to The World.

CLAREMORE, Okla., Sept. 29.—The Eastern University Preparatory school football season was opened on the Prep gridiron today with a decisive victory over the Afton high school 11 by the overwhelming score of 35 to 13.

Although outclassed from the very start, the visitors fought doggedly until the whistle blew, ending the game. At times making brilliant plays. Pretty complicated forward passes featured throughout.

BRISTOW HI TIES WITH SAPULPAN

Score of Hard Fought Game Is 6 to 6, First Contest of Year.

The Bristow high football team met the Sapulpa team at Sapulpa yesterday afternoon and the result was a score of 6 to 6. This was the first game this season for either team and the game was watched with interest by all the high schools in the state.

The game from the first resolved itself into a match of endurance, as neither team was able to rush the puckin over the goal line. Percy of the Bristow eleven finally broke field run of 25 yards for a touchdown. Not to be outdone, Bartlett of the Sapulpa aggregation carried the oval for 35 yards and netted the only score for Sapulpa.

The Bristow scridders played the superior ball while in possession and in line plunges, while the Sapulpa played the better game in the open field style. Higgins, Lock, Perry and Jackson were the stellar athletes for Bristow while Fred, Bartlett, Burgess and Brown of the Sapulpa eleven set their names in the bright light of public opinion.

HIGH TEAM WON'T WORK OUT TODAY

Whole Team Will Turn Out to See Kendall Team Play Cumberland College.

Coach Baker shoved the boys through a brisk practice yesterday afternoon at the Association park. The boys are hard as nails and are showing winning form. Shifts are being made both in line and in the backfield and as there is a world of material in evidence, no positions are permanent as yet.

The practice yesterday started by a long snappy signal practice, and then passes were used to furnish a variety for the aspirants.

Baker started the fellows on a bunch of new backfield formations. As the weather has been considerably cooler this past week, the boys have been worked to the limit and as a result a fast formidable aggregation promises to fulfill the hopes of the gridiron followers in producing a championship team this fall.

Chadwell, a new man this year, was run on the first line at end and showed up particularly well. "Chad" has a speedy man and picks out passes like an old timer.

Several of the men on the second line are being whipped into shape with surprising alacrity. "Owing to the two Kendall games this afternoon, the high team will not go through its customary workout."

Three Teams Running.

TOPEKA, Kan., Sept. 29.—For the first time in a number of years there are three football teams at Washburn college. Coach Kennedy has organized a team in the academy to help out the freshmen team in its struggles with the varsity. Followers of the Ichabod already are looking for a Kansas conference championship.

KANSAS FOOTBALL TEAM IS TRAINED

Coaches Have a Squad of Veterans to Pick Jayhawkers From.

LAWRENCE, Kan., Sept. 29.—In spite of the fact that only ten "JK" men returned to the university of Kansas this year, coaches Olcott and Clark will have practically a veteran team to use against the Kansas state normal team in the opening game of the season here Saturday.

In the line, Frost, Heath, Kilson and Halkowsky all last year's veterans, will be available. It was announced, while Lashley, Miner, Harbo and Fringle or last year's freshman team are expected to be given a chance. In addition Burton, who was a star tackle on the varsity in 1914, but was not in school last year, will be back at his old position. The backfield in Saturday's game probably will be made up from Captain Lindsey, Fast, Russell, Elsie, Peterson, Nelson and Todd.

Haskell Indians Ready.

Coach A. M. Verno has been working hard this week to get his Haskell team in shape for the opening game of the season here with Bethany college of Lindsberg. This game will be played tomorrow so as not to conflict with the Kansas university-state normal game here Saturday. Among the letter men back for the Haskell team this year are Captain Williams, Clements, Campbell, Fite, Black, King, Benton, W. Murdoch, L. Evans, C. Evans, Frazier and Tunnothy.
